

PARENT TESTIMONIAL

Hi Kim,
We just received Morgan's first report card and had her first parent-teacher conference for Kindergarten. I wanted to tell you we are very thankful for everything the Academy did to help prepare Morgan.... She is "above grade level" in most areas and "at grade level" in everything else. Her reading has really taken off, which I know is due to the strong foundation she received at **The Burlington Academy**. All your teachers are outstanding and did a wonderful job with Morgan's years in preschool. Sincerely, Lorie

YEAR-ROUND PROGRAMS

INFANTS & TODDLERS 6 WEEKS - 36 MONTHS

Infant and Toddler Programs are designed to provide the very best opportunities, stimulation, care, love, and nurturing for your child in a comfortable environment which fosters security.

ACADEMIC SCHOOL YEAR PROGRAMS

NURSERY SCHOOL 2/3 YEAR OLDS

Our Nursery School program is a bridge from home to school, providing a nurturing, warm, and loving setting for a child's first experience with school. *Children need not be potty trained.*

PREKINDERGARTEN 4 YEAR OLDS

Our PreKindergarten program allows for active exploration and hands-on experiences to foster early literacy skills and learning in all curriculum areas. This program is the perfect prelude and preparation for Kindergarten.

JR. KINDERGARTEN 5 YEAR OLDS

Our Jr. Kindergarten program is designed for children who would benefit from additional preparation for Kindergarten; particularly beneficial for those turning 5 years old September - December. Different levels of ability, development, and learning styles are expected, appreciated, and considered when designing our curriculum and planning activities.

KINDERGARTEN 5 YEAR OLDS

Our Kindergarten program provides a more individualized and personal alternative to the public school. The Kindergarten curriculum is filled with much enrichment and includes themes and activities and enrichment chosen according to our individual children's needs and interests.

EXTENDED SCHOOL-DAY PROGRAMS

An important part of our philosophy focuses on support of the family, and in doing so recognizes the need and desire for programs that extend beyond the academic day program schedule of 8:30 a.m. - 3:30 p.m. To fulfill this need, we offer extended hours through our Before School and After School Programs, and are open from 6:30 a.m. - 6:30 p.m.

If your child is in Kindergarten through 6th Grade at the public school, you may customize your own schedule for these programs or use them on an "as needed" basis.
