

YOUR AUDIENCE

Located in O.P. Schnabel Park off of Bandera Road, NSLL has four baseball/softball diamonds on 20 acres of land. **Our boundaries lie in northwest San Antonio, surrounding the I-10 corridor from 410 to 1604. We have players from several NISD schools.**

WE NEED YOU

Sponsors help us hit it out of the ballpark!

We don't see homeruns at our fields every day, but what we do see are the smiling faces of our players and their families. We couldn't enrich children's lives, through sport, without the support of our sponsors. The logos below represent just a few of our generous sponsors and the companies we partner with.

Contact us with any questions you may have regarding our opportunities. **We look forward to having you on our team!**
