The grass withers & the flowers fall, but the Word of our God stands forever.

Isaiah 40:8

PASTOR'S CORNER.....

Have you taken time to reflect on the vastness of God's creation? To look and listen to those things that happen and move around you. I sit on the patio as I write these words and it is so easy for my focus to be on the man-made noises and objects that I miss out on the true nature that God created. The little breeze in the early morning mixed with a measure of humidity. Several kinds of birds flying around and chirping their heads off. It seems like at least one or two of the barn swallows are trying to tell me that I am too close to their nest that they built under the patio ledge. The leaves on the trees swing back and forth like dancing silhouettes as the sunshine peers slowly through the sky. What a majestic view even if from the backyard patio.

April is known for bringing things to life. It sure has kept us living a full life of service as a church and as individuals. Work continues on Diana's house; our group is doing a wonderful job. This is also the month when we gave special attention to the death and resurrection of Jesus Christ on Palm Sunday, Good Friday and Easter Sunday. Reflection on the horrific death of Christ evokes sadness and grief but the good news of Easter Sunday eclipses the death of Jesus. During April we also continued making plans for this year's Vacation Bible School by meeting with those interested in volunteering. April ended with a delightful trip by our ladies to Kerrville. To top off April, we celebrated with an exceptional Fifth Sunday Luncheon and a marvelous Singspiration. Thank you First Baptist for such a wonderful month of April. Remember, you are the church and what God wants to accomplish He accomplishes through the Church!
