

A Love Story

A Love Story

Nostalgia Artist Seton McGlennon's concept in art is to save special moments and create a visual experience in the exclusive custom artwork she has been creating for over 25 years. Everyone has a Story to tell and her brush captures your personal story, memories and moments in a colorful, contemporary canvas with a twist of folk.

A Love story, Married later in Life or a Blended Family, your happy tale is featured and celebrated for all to enjoy in a timeless piece. The artwork will follow a time line, childhood, education, first meeting, how he asked, travel, the illustrations tell your tale, as you find homes, pets, as well as the wedding location and festivities.
