LET US HELP YOU BUILD YOUR VISION

Why PCD Building Corp.?

A successful construction project begins long before the first nail is driven. We strive to consistently improve the methods by which we deliver projects at the best value in cost, schedule and quality.

We utilize CADD Software to develop accurate floor plans and details to expedite the pricing and Pre-construction process.

Markets

- Residential and Commercial
- Tenant Interior Finish
- Industrial
- Computer/Clean Rooms
- Automotive Shops & Facilities
- Timeshare and Hospitality
- Health Care

About Us

PCD Building Corp., a licensed general contractor, was founded in 2002. Owner and President, Paul Dougherty, has over 18 years experience in the construction industry and has developed into a full-service builder. Our annual sales volume has now exceeded 1.8 million. We are located in Orlando, Florida making our primary focus the Central Florida Region. We do however travel throughout the State of Florida for some of our continuing clients.

References

“Without flattery or exaggeration, Paul may be the best in understanding the broad Florida building related codes and their enforcements.”

—Ken Colwell, Facilities Manager a la mode, inc.

“Working with you and your staff has been a pleasure. I look forward to the Westminster Suncoast project. PCD Building Corp. is a quality organization.”

—Winter Park Towers
