

Make a Difference

Boulder County Family Child Care Association members are people who care about the future of children. Our members are family child care providers licensed by the State of Colorado. We also welcome advocate members who are interested or involved in early childhood education and high quality child care

Becoming a member means you are willing to invest in the children of Boulder County. Join today and make a difference!

Boulder County Family Child Care Association

Support, training and community links for Providers and Parents

We Care For Boulder County Kids!

Our Mission...

Boulder County Family Child Care Association (BCFCCA) is a group of licensed family child-care providers and advocates organized for the promotion of community welfare. We welcome all licensed providers and child care advocates in Boulder County and surrounding areas. Our mission is to:

-  Offer support, guidance, and community links to providers and families
-  Provide parents with a referral system that specifies current openings in family child care homes
-  Increase community awareness of the importance of professional, high-quality child care services
-  Expand the skills and competencies of licensed providers and keep members informed of new laws and regulations
-  Promote the optimal development and well being of the children cared for by Family Child Care Providers

Benefits of Membership:

- You are investing in and helping to promote high-quality, professional child-care in Boulder County, Colorado
- Mentoring for new providers
- Free support and referral system
- Advertising of your business on our website
- Free training's and credits on a variety of topics relevant to the field of early childhood education
- Notification of new licensing rule and regulation changes via email
- Immediate access to training's through our social media sites
- Links to affiliations on the State (CAFCC) and National (NAFCC) level
- Legislative updates on upcoming and new rules that could affect your child care business
- Professional network of people who care about children and their families.
- Many opportunities to become an active advocate for licensed family child care!
