

KALAMAZOO
CONSERVATION
DISTRICT

YOU'RE INVITED TO:
THE KALAMAZOO CONSERVATION DISTRICT'S
ANNUAL MEETING AND ELECTION.

LANDSCAPING FOR BIODIVERSITY

You will learn the importance of planting natives and removing invasive species, regardless of the size of your yard or space. Learn how our individual actions can collectively make a big difference. What's the rush to regenerate biodiversity? Hear why joining the Homegrown National Park movement and getting on the MAP is so important.

JANUARY 31, 2024 @ 7:00 – 9:00 PM
GIRL SCOUTS HEART OF MICHIGAN REGIONAL TRAINING CTR.
601 W. MAPLE ST., KALAMAZOO, MI

SPEAKERS:

Dr. Todd Barkman, Professor of Biological Sciences, Western Michigan University
Donna Perry Keller, President - Audubon Society of Kalamazoo & native plant enthusiast
Mitch Lettow, Stewardship Director – Southwest Michigan Land Conservancy & active in Reforest Vine

Please join us for an evening of education, a silent auction, and delicious desserts. The cost to attend this event is \$5. You can pay on-line or at the door. Please go to www.kalamazooconservation.org to register and pay via our on-line store. Pre-register by January 30th and be entered to win a rain barrel or Douglas W. Tallamy's "Bringing Nature Home" book.

Questions? Please call the office at 269-775.3368.
