God's Word For The Week

"His wife said to him, "Are you still holding on to your integrity? Curse God and die!" He replied, "You are talking like a foolish woman. Shall we accept good from God, and not trouble?" In all this, Job did not sin in what he said. When Job's three friends, Eliphaz the Temanite, Bildad the Shuhite and Zophar the Naamathite, heard about all the troubles that had come upon him, they set out from their homes and

met together by agreement to go and sympathize with him and comfort him. When they saw him from a distance, they could hardly recognize him; they began to weep aloud, and they tore their robes and sprinkled dust on their heads. Then they sat on the ground with him for seven days and seven nights. No one said a word to him, because they saw how great his suffering was." (Job 2:9-13)

Moving On & Learning More!

Last Wednesday night we finished a video study series entitled “Convicted” that was done by Brad Harrub of Focus Press and Think magazine. The subjects that Brad laid out for us were challenging and varied, but the entire presentation was that the Word of God is true and accurate while the evolutionary view of life is incorrect and distorted. Brad laid out for us various topics that are supposedly supported by science but the evidence proclaims that they are not. Over all I believe we gained a great deal from this study and our thinking was challenged to investigate any idea presented to us with a keen mind and the desire to study all sides before accepting a conclusion.

One concept taught in Scriptures that must be considered is Romans 1:16-20. These principles were laid out by the Holy Spirit through the pen of the Apostle Paul. Please read carefully what is presented here about our Awesome God and all of the things He created and put into motion. **“I am not ashamed of the gospel, because it is the power of God for the salvation of everyone who believes: first for the Jew, then for the Gentile. For in the gospel a righteousness from God is revealed, a righteousness that is by faith from first to last, just as it is written: “The righteous will live by faith.” The wrath of God is being revealed from heaven against all the godlessness and wickedness of men who suppress the truth by their wickedness, since what may be known about God is plain to them, because God has made it plain to them. For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from what has been made, so that men are without excuse.”**

Everything that we see in nature is precisely designed and carefully crafted. The more layers of the creation we peel back the more we should recognize the handiwork of God. There is a clear pattern as we study true science without the views based on the biases of ungodly people. All the information that we discover points us back to the account of the Creator. There are so many questions we must ask like: Where did I come from? Why am I here? Where am I going when I die? What is my purpose? Ecclesiastes 12:13 says it very well. **“Now all has been heard; here is the conclusion of the matter: Fear God and keep his commandments, for this is the whole duty of man.”**

Shalom, Harold
