

## Old ways of cleaning and sanitizing don't work

For your customers, a vehicle is an investment — but, more than that, it's where they spend a lot of time. Who wouldn't want to keep it clean, sanitized and odor-free?

*Now there's a fast, easy and profitable way to deodorize and sanitize vehicle interiors for your customers.*

Whether the problem is airborne or on surfaces, you can remove all residual creators of these serious problems — faster than other methods and at surprisingly little addition cost.

The Just Gone Sanitizing & Deodorizing System™ uses a technologically advanced process to sanitize and deodorize vehicle interiors

without the need for toxic chemicals, fragrances or lengthy processes. In a fraction of the time needed by other sanitation systems, the Just Gone Sanitizing & Deodorizing System™ can sanitize against a multitude of germs, allergens, odors and indoor contaminants in all areas.

#### NOTHING ELSE COMPARES

*Most sanitizing systems are complex or messy, and many deodorizing systems just cover up odors. Only the Just Gone System destroys odors completely and is incredibly fast to apply.*

### ***One thing that any dealership that resells cars, RV's, and boats can't tolerate is a vehicle that smells bad.***

Whether its smoke odors (the most prevalent), mold and mildew, protein odors (rotting meat, dead animals & human body fluids). Most of the time service providers utilize ozone or other foul smelling odor bombs and most of the time they don't work and even make matters worse.

That's where Just Gone™ odor elimination services come in. With the right products, equipment and training you can remove 100% of any odor in any vehicle 100% of the time. Guaranteed! Most vehicles can be completely deodorized in as little as 1 hour. Yacht diesel, bilge, and head odors can be eliminated also.

Think of the happy customers you will have when you can produce this result every time! What would they be willing to pay for this service?

The Just Gone Sanitizing and Deodorizing System™ gets autos, RV's, and Boats, sanitized and deodorized using an advanced system that gets everywhere to remove harmful germs, bacterial, odors, allergens and indoor contaminants without leaving any harmful residues. It doesn't use harsh toxic chemicals, fragrances nor does it require time consuming manual wiping or rinsing. Even delicate surfaces and the heating and cooling systems can be sanitized against a multitude of germs, allergens, odors and indoor contaminants in a fraction of the time and with the highest degree of effectiveness. Nothing works as well as Just Gone™
