Hello—

My name is Tony Rangel and I live in the Civic Center area of San Jose. I was recently driving in the Rose Garden area and really admired your front yard landscaping. I will be doing some landscaping soon and was hoping you might be willing to share the name of the landscape firm that you used. I've included a stamped, self-addressed envelope for your use. I didn't want to be so forward as to stop and knock at your door. I do appreciate your assistance.

Sincerely,

Tony Rangel
