

History

The Foundation was conceived as a

nonprofit affiliate of the Pi Lambda Lambda Chapter of Omega Psi Phi Fraternity, and incorporated in the State of Virginia on April 19, 2005. We were granted an IRS 501 (c)3 status as a Public Charity on February 16, 2007. Our Foundation is named in honor of Dr. George M. Hampton for his steadfast dedication to providing scholarships to local youth and his commitment to social action that enhances the quality of life for citizens of Prince William County. Since our inception, the Foundation has contributed thousands of dollars to local youth scholarships and other youth support programs such as mentoring, essay contests, talent hunts, school supply drives etc. We also devote considerable funds annually to community service activities including: health fairs, blood drives, Diabetes and Cancer initiatives, food and clothing drives, and more.

Our Mission

Our Foundation seeks to identify, obtain and direct resources to implement and support programs and activities that enhance the lives of individuals, particularly youth, within our community of Prince William County, Virginia.

Scholarships-

Each year our Foundation awards several scholarships to local youth in consideration of their academic achievement, demonstrated leadership, volunteer activities, and participation in community service and support projects.

Essay Contests-

Our Foundation, in coordination with PLL, awards funding to winners of our local high school Essay Contest in November each year. Awards range from \$500.00 for 1st Place, \$300.00 for 2nd Place, and \$200.00 for 3rd Place.

Annual Golf Tournament-

One of our major fund raisers is our annual golf tournament. The Tournament is held around the last week of April each year at a local golf course. Information for participation in this event can be found on our website.

Talent Hunt Program-

We make monetary awards to winners of an annual talent hunt program focused on identifying and providing exposure to talented local high school students in the performing arts arena. Students may compete in the following categories: 1) drama, 2) instrumental solo, 3) piano solo, 4) vocal solo, and 5) dance. Winners are selected by judges with experience in the medium they are judging.

Community Support-

In affiliation with PLL, the Foundation participates in many community activities. We raise funds to support: an annual Diabetes

drive; annual Relay for Life Cancer initiative; annual food drives; mentoring programs; and health related initiatives, including annual blood drives and local health fairs.

Our Affiliate

The Pi Lambda Lambda (PLL) Chapter of Omega Psi Phi Fraternity was incorporated in the state of Virginia. The Chapter is
