THE VICTORY WAY OF LIFE

Family--The Heart of Community

We begin by listening. We sit back and abide in the secret chamber of our heart as we listen to others. And we learn to listen to the inner voice in our own heart. It is no coincidence that Kuan Yin's name in Chinese means "one who observes the sound."

When we observe the inner sound, we become sensitive to our needs and the needs of everyone around us. The trick is to fulfill our needs and not just be aware of them. Then we can tap into our own wellspring of love and wisdom and be sensitive to and meet the needs of our family.
