

# GATOR TIP OFF CLUB

## ABOUT US

The Gator Tip Off Club was established in 1962.

As a club, we strive to enhance the season ticket holder's Gator Mens basketball experience through exclusive access to the team, guest speakers, pregame meals and meetings, and special events including pre- and post-season gatherings.

Additionally, your membership also supports Gator Men's basketball through donations to the Gator Boosters Athletic Education Fund.

Thanks to your membership, the Club is able annually to donate \$5,000-10,000 per year to support the scholarship endowment program at the Gator Boosters Athletic Education Fund.
