Lesson Scripture:

Zephaniah 3:1-2, 5, 12-13

**Key Verse:**

The LORD . . . is righteous; he does no wrong. Morning by morning he dispenses his justice, and every new day he does not fail. (Zephaniah 3:5)

## Justice Wins the Day

(Zephaniah 3:1-2, 5, 12-13)

God was not happy with the people of Jerusalem. They did not treat each other right. They did not listen to God. The prophet Zephaniah told them that they were doomed! This means that they were facing the end! God was fed up with their poor behavior!

Zephaniah told Jerusalem that God did not plan on leaving. But He would punish those who kept doing wrong. God knew who the troublemakers were!

But God also knew who loved Him. He planned to protect those who did no wrong. They would be safe and secure in His love.

## For the Parents

Dear Parents/Guardians,

Today, your child heard that the prophet Zechariah wrote about God's displeasure with Jerusalem. He wrote, telling of God's warning and plans both for those who were obedient and those who were disobedient. This week and always, teach your child to be courageous. Help him or her learn to do what is right—even when others do wrong. Equip your child to be ready to speak the truth, honor what is respectable, and enforce justice.
