Justice Wins the Day

Zephaniah 3:1-2, 5, 12-13

Lesson 10

Justice Wins the Day

(Zephaniah 3:1-2, 5, 12-13)

The people of Jerusalem had not been trusting in God. They were not obeying Him. They had not changed their bad ways. They had not been kind to God or to each other.

Every morning, God reminded the people about the good things He wanted them to do. But the people did not listen. God promised that one day, He would judge the people. They had been so bad for so long that they would be punished by God. But after they were punished, God promised to bring the people back to Him.

With God, fairness and justice always win!

For the Parents

In today's lesson, your child heard that the Israelites failed to trust God and obey Him. The judgment of God was guaranteed. This week and always, teach your child to be courageous. Help him or her learn to do what is right—even when others do wrong. Equip your child to be ready to speak the truth, honor what is respectable, and enforce justice. Show your child how to walk in integrity.

Prayer

Dear God, help me do the things that please You. In Jesus' name I pray. Amen.
