Dear Prospective Sponsor:

We are reaching out to you today in a continuing effort to help us raise awareness regarding Post-Traumatic Stress Disorder (PTSD) in our first responders. Too often PTSD is going unmonitored or unnoticed in our first responders; whether they be Firemen, Policemen or in our case – Paramedics, EMT's and EMS Dispatchers.

These men and women have the difficult job of being first on scene for emergencies which most could not even imagine. Too often these images go home with them – where they struggle to deal with them and live out their own personal lives. Cleveland EMS unfortunately lost one of our own recently to this, which has been a difficult loss for all of us; thus we are asking for your help.

We are planning our 2nd Annual "You're Knott Alone Golf Outing", scheduled for Sunday, June 25th at Berkshire Hills Country Club in Chesterland. The event is expected to bring in 200-300 guests for a 4-person golf scramble and dinner to follow.

We are looking for sponsorships and donations from area businesses such as yours, who may be interested in helping to support our initiative. We have event sponsorships available, as well as hole sponsorships and other sponsorships and/or donations available. Furthermore, you will be included in our program.

Proceeds from the outing will go toward the development of programs to assist our members – who at times need additional support battling the side effects of PTSD.

Taking care of those who take care of others is our goal. Through your continued support, we will be able to achieve our goals of mental wellness and awareness. If you choose to become a sponsor, contact one of the event sponsorship coordinators listed below to make arrangements.

Respectfully,

Des Anderson
