## Introduction & Content

### How is PREBENA North American Fastener Corp. different?

We offer different quality levels!

#### Made in West Virginia

for 15.5 GA flooring staples, 16 and 18 GA staples and finish nails

- ✓ High tensile strength steel
- ✓ Stainless steel 304 and stainless steel 316
- ✓ Divergent point staples
- ✓ Industrial applications
- ✓ Any special length or other requirements

#### Made in Germany

for all products with above average

- ✓ Tensile strength
- ✓ Coating for increased holding power and pull values
- ✓ Any special product not produced in WV

#### Made in China

by one and only one manufacturer partnering with us

- ✓ Production with our specifications for fasteners and packaging
- ✓ Quality inspection through external PREBENA quality inspector
- ✓ Any high volume price sensitive product

We have a high service level:

- ✓ Order before 1PM and we will ship the same day
- ✓ Knowledgeable telephone assistance with fast reaction time
- ✓ Informative website with online help, expanding step by step

We offer interesting pricing:

- ✓ We do not have an external sales force which reduces our overhead
- ✓ We work with a strong inside sales team
- ✓ In some states we have sales reps to establish direct contacts

We have the widest product selection:

- What we do not have in stock, we can produce – or get for you – also in small quantities.

We are open for improvement

- Please let us know how we can serve you better!

## Terms and Conditions

### This pricelist is made for our customers who resell our products:

- > Prices are based on an order quantity of one case in a mixed pallet (except stainless steel).
- > We offer volume rebates in form of price reductions, free delivery or others. Please inquire.
- > Not all of our products are listed. We can offer more types, lengths and material upon request.
- > We offer container imports from Germany or China, also as private label. Please inquire.

**Pallet sizes:** We try to optimize our pallet sizes for low transportation costs. However, the count of boxes per skid may vary and be adapted throughout the year.

### Prices and Standard Shipping

All prices are net prices without taxes or any other fees or duties. Prices are subject to change without prior notice. Our prices include proper packaging.

### Special Productions

Minimum order size for divergent point (if not in stock) and special productions is 20 cases. Smaller quantities are possible with a surcharge. Orders will be considered complete when +/- 10% of quantity ordered has been shipped.

### Returns

No return will be accepted without prior consent. If we accept a return for a reason not caused by us, a 20% restocking charge may apply.

**Did you see something that we can improve upon? Please let us know!**
