Keynote Speaker

Annette Mountford, MBE, was the Chief Executive of Family Links from 1997-2015. Prior to that she worked as a Health Visitor for 13 years, and then combined her experience in health, education, and parenthood to introduce the Nurturing Programme (NP) to the UK in 1992. The NP promotes emotional literacy and emotional and mental health. She has led the Family Links team in adapting the Nurturing Programme (NP) to meet national curriculum standards; in anglicizing the NP for parent groups in the community; and for schools, prisons, Muslim parents, and parents of teenagers. She helped create the Parenting Puzzle book for parents. Annette developed a national training programme for practitioners working with parents and children in education, health, and the community. She has written an Ante-natal NP, which is now being rolled out nationally. She was honored with her naming to the Queen's List, in 2012, with the MBE, Members of the Order of the British Empire.
