

# Golden Phoenix - Tempura Chicken

Always a crowd pleaser, our Tempura Chicken starts with juicy chicken that is lightly battered and then cooked to golden perfection!

### Versatility

Our products can be served alone as appetizers or combined as a main course. They are ideal for catering banquets, parties and happy hours.

### Competitiveness

Our products are competitively priced because we believe only the flavor should be high, not the cost!

### Quality

*Hand-dipped*, fully cooked and then quickly frozen to lock in flavor. We focus on producing the highest quality products using only the finest ingredients.

### Convenience

Minimal preparation time is required for our Tempura Chicken. It can be easily prepared in the oven or deep fryer within minutes.
