## Session Fees

Your session fee includes a consultation to get to know you and make sure your session will capture your personality. Payment of the session fee is required at the time the session is scheduled.

**Mini-session/Headshot - \$75** (15 mins./one pose)  
**Family Sessions - A family session is for up to 5 subjects. Additional subjects are \$15 per person.**

**Additional Location Fee - \$25 and up**  
 Exact price depends upon location distance and lighting and background needs.

## Session Information

What is worn should not command greater attention than the person. Clothing that is of a simple classic style produces the most pleasing portraits. Loud, bright colors with bold patterns, stripes, polka dots, and plaids usually do not photograph well.

Backgrounds will be discussed at your portrait consultation.
