SYNC As you prepare for your evening meal, sync your digestive tract to optimize digestion and curb late-night cravings. Studies show that most people consume less than the recommended amount of fiber each day. Sync contains a unique combination of all three essential fibers: soluble, insoluble, and prebiotic.

PRODUCT BENEFITS:

- Optimizes digestion
- Helps to support healthy heart and normal, healthy cholesterol levels
- Zero Sugar, Gluten Free, Vegan

A delicious chocolate flavored treat, Sync includes a blend of soluble, insoluble and prebiotic fibers to synchronize digestion and weight management. This 100% plant derived-fiber drink mix is inspired by the Mediterranean diet which relies on abundant fruit and vegetables. Crafted to include oats for their natural heart healthy beta- glucan content and incorporating soluble fibers from acacia and prebiotic-rich apples and peas, Sync utilizes nurturing plant ingredients to further support wellbeing in addition to digestive health.

Fiber plays an important role in heart health and weight management, and offers many benefits. As a soluble fiber, oat beta-glucans may assist in binding dietary fats to support removal from the body. Fibers from Mediterranean acacia, apples and peas assist in purifying the digestive tract and quickly removing unwanted chemicals and waste.
