Our Goal

- To offer daily, structured and educational arts-based after-school activities in a safe and controlled environment.
- To draw from many traditions in presenting music, dance, art and drama activities, thereby promoting understanding among diverse cultures and different age groups.
- To develop performing skills and confidence by creating programs to perform for parents and at other venues throughout the community.

“My daughter learned how to work on a project and to truly perfect it. She hasn’t had an opportunity to do that in school.”

“My child never wants to go home!”

“There are so many activities and we have a lot to choose from”
