FORWARD!

The United Pentecostal Church International has embraced the theme “FORWARD” as we move forward to a destination of continual success! Join with us in prayer and fasting, believing that as we, the church, *sow in the land, we would receive in this same year a hundredfold and be blessed* like Isaac, the son of Abraham. God gave Abraham a promise, and we are the spiritual seed (lineage) of Abraham. Likewise, we, as heirs of that promise, pray that the church would *wax greater, move **forward**, and grow until we become very great* (Genesis 26:12–13).

WEEK ONE

Pray that we steadfastly *press forward* in prayer, fully submit to the will of God, and totally obey Him. *“And he went forward a little, and fell on the ground, and prayed”* (Mark 14:35).

WEEK TWO

Pray that we be overcomers and *go forward* despite any opposition we may face. *“The LORD shall fight for you...speak unto the children of Israel, that they go forward”* (Exodus 14:14–15).

WEEK THREE

Pray that God helps us in all matters, and dispatches His angels to *move forward* to intervene in our behalf. *“They turned not when they went; they went every one straight forward”* (Ezekiel 1:9).

WEEK FOUR

Pray that we *bring forward* souls to help them spiritually and naturally. *“Whatsoever thou doest to the brethren and to strangers...if thou bring forward...thou shalt do well”* (III John 5–6):

WEEK FIVE

Pray that we *set forward* the work of God’s kingdom for great revival and harvest. *“Twenty and four thousand were to set forward the work of the house of the LORD”* (I Chronicles 23:4).
