

THE STEALTH ZERO

Anti-Recording System with Battery Pack

Have you ever been embarrassed by a recorded conversation?

The Stealth Zero prevents the other person from recording what you are saying using a smartphone. Who takes out his or her smartphone and records what you talking, and only the noise plays when playing. With a wireless remote control, it can only be on and off when needed, and it also has a built-in battery that can be used as a battery pack to charge a smartphone.

It covers within 1.5m
Horizontal/Vertical 90°
