Our Audiologists

MaryAnn Bencin
M.A., CCC/A, FAAA, Audiologist
MaryAnn is dedicated to providing every client with exceptional service, while always offering the best hearing aids available. She knows that good counselling along with follow-up verification and customization of each fitting are of utmost importance to the success of the patients.

Dr. Amanda Barbur
CCC/A, FAAA, Audiologist
Amanda is passionate about helping her patients understand how to succeed with hearing aids. She herself has a hearing loss and understands the many benefits and rewards of proper amplification!

Introducing... Dr. Sally Rachek

CCC/A, Audiologist
Sally's most rewarding part of her job is to see the improvement in her patients lives when communication with family and friends is easier and more enjoyable. She loves to be part of the process which results in patients becoming successful hearing aid users.
