F ACTS: AMIGO is a 100 % Spanish Language newspaper directed to Latinos with Spanish as the first language serving the southwest part of Arkansas and Texas for over 20 years. It is the only massive way of communication for Spanish language residents in this area. No Radio, Television, or any other way of printed media has the preference and penetration of AMIGO news.

HOUSANDS OF SPONSORS AND READERS PROOF IT.

According to US Census Bureau, 18 to 65 are the majority of all groups in these areas. For the productive purpose, AMIGO Spanish newspaper reaches all of those readers with all-local -translated by ourselves- news, work offers, school, church, city, police, social and classified ads, and announcements. Whether bilinguals or all Spanish readers, AMIGO gets to that percentage of **working/moneymakers/spenders** readers you can not reach any other way.

The US Census Bureau of Information says,

“THE PERCENTAGE OF OTHER THAN ENGLISH LANGUAGE SPOKEN AT HOME IS AS FOLLOW:”

- HOPE: 1800 persons or 18% of 10,095
- HOWARD Co. (NASHVILLE): 1400 persons or 9.3% of 13,789
- TEXARKANA: 1500 persons or 4.1% of 29,919
- HOT SPRINGS: 3500 persons or almost 10% of 35,000
- SEVIER Co. (DEQUEEN): 5000 readers or almost 27% of 17,000

AMIGO TAKES YOUR MESSAGE EVERY THURSDAY 12,000 TIMES, ALL SPANISH

WITHOUT COMPLICATIONS OF LANGUAGES

YOU WILL BE SPEAKING SPANISH TO AT LEAST

12,000 SPANISH READERS, EVERY WEEK, TO THE WHOLE AREA.
