WAVE ARMOR® SLX5™ & SLX6™ WAVE PORTS

The Easiest to Use, Most Durable and Feature Rich Docking Systems

Wave Armor was first in the industry to create a foam-filled inner core design and a fully adjustable, individual support roller system. This propriety design offers more floatation and stability than the competition, with extra room allowing riders to safely and effortlessly move around their personal watercraft.

FEATURES:

- Roto-Molded, High Impact Polyethylene Construction with Maximum UV Protection
- Foam-Filled Interior for Increased Buoyancy and Structural Integrity
- Smart Wheel™ - 12 Adjustable Self Lubricating Nylon Wheels with Soft Urethane Rubber
- Stainless Steel Wheel Axel for Corrosion Resistance in Saltwater
- Non-Skid, Flagstone Textured Finish
- The Largest Foam-Filled PWC Port on the Market
- Made in the USA
- 8 Year Warranty
