

Get smoother, brighter skin with **Microdermabrasion.**

How Does Microdermabrasion work?

We use an instrument that exfoliates your skin with tiny crystals, gently removing the outer layer of your skin. When you come in we will:

- Cleanse your skin
- Perform the Microdermabrasion
- Apply a hydrating mask

What are the benefits of Microdermabrasion?

- Diminish Fine lines and wrinkles
- Reduces hyperpigmentation
- Improves appearance of superficial skin damage due to aging or sun exposure
- Reduces large pores
- Increases circulation for healthier skin
- Cleanses, tones, moisturizes, and exfoliates for smoother, Brighter skin.
