Tony,

We won our case and given a check \$11,500.00. Our lawyer sued the Carpet and Flooring store [REDACTED] out of Kinston (they did our demolition after the water leak and dried the house out and installer.

We asked for \$15,000.00 took us almost 3 years; now it is finally over. Thank you again for your support and help on our case.

Sincerely,
[REDACTED]
