

# What's Up Wickliffe!

July  
2021

A Happy Summer's Day to all our newsletter readers! Recently, you may have been pruning the Hedges, pulling the Weeds, spreading

Mulch, cutting your Lawn or planting new Greenery! What a pleasure it is to experience a new Season of growth and to witness flourishing plants and flowers again. In addition, we are moving ever closer to having the fullness of life we knew before the pandemic. It is comforting to know we are moving forward in the direction of new life and renewed opportunities.

Often, we find ourselves expressing our gratitude for a new day and having hope for new opportunities. Most often, our grateful expressions follow our recollections and memories of where we have been. What we have been through and experienced before. Our past experiences help us to appreciate the importance of a new day and a new season. Today, the memories of our past and the newness of today remind me of a verse in Lamentations 3:21-23. "Yet this I call to mind and therefore I have hope: because of the Lord's great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness."

I pray we are all appreciating and enjoying the newness of the hope we find in this new summer season. Not only can we be grateful for the warmer temperatures. We must also appreciate having more room to

breathe, more room to live and a lot more room to get around. Know that our God has brought us to this new day. A new season for acknowledging and appreciating where we have been and what we have come through. But as well, know this new day and new season of hope is God's assurance there are greater hopes which await us. Those words can be so meaningful today "They are new every morning: great is your faithfulness."

What we plant and what we care for give us hope. May we continue to be hopeful while our Lord always remains faithful. May your summer be a season of renewal and refreshment as we continue living in the light of our God. Amen. ~ **Pastor Mark**

**Deacon News**

Keep this date in mind:  
**October 3, 2021**

The Deacons, if all goes well in the world, will have their fall luncheon with Sloppy Joes, chips, homemade soups and all the trimmings. Homemade cookies, too. Yum. In addition to the wonderful food and fellowship, we need the money from the free will offering to send our holiday contributions to our local charities. Our money is very low. We depend on these luncheons for many reasons as well as the reasons listed above. Can't wait!!
