

OUR MISSION

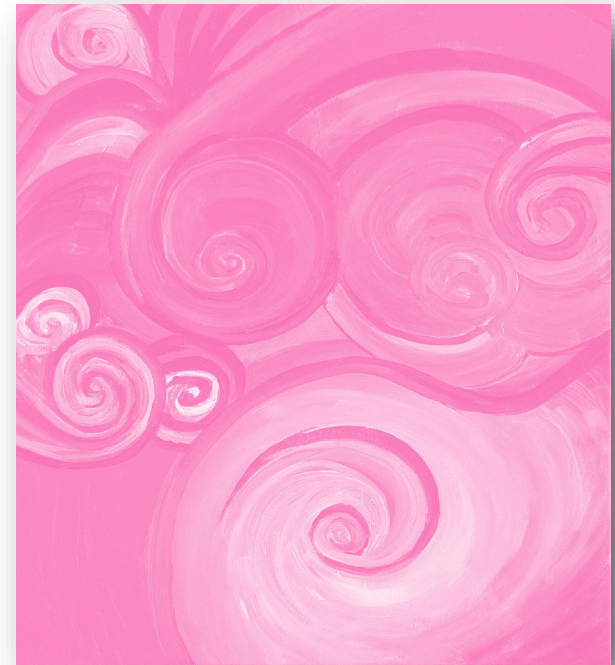

The Driftless Area Artists (DAA) is an association committed to nurturing the artistic growth and development of artists. We strive to increase awareness of local art in the Driftless region of southern Wisconsin and northern Illinois. This includes networking, educational, and exhibit opportunities.

The Driftless Area Artists group is sponsored by The Monroe Arts Center, 1315 11th Street, Monroe, Wisconsin.

YOUR MEMBERSHIP IN DAA INCLUDES YOUR MEMBERSHIP IN THE MONROE ARTS CENTER!

Through the generosity of Monroe Arts Center, payment of yearly dues entitles our members to all discounts on program tickets and purchases of gallery items. Ten dollars goes directly to MAC, our sponsoring organization. DAA membership runs from January 1st to December 31st of each year.

Your membership entitles you to request exhibit space in the group's yearly Driftless Area Artists Exhibit at the Monroe Arts Center and inclusion in all other events planned by the members.

The DAA board meets the 2nd Tuesday of each month. All are welcome to attend. An annual membership meeting is held in September.

We communicate via e-mail. If you don't have a computer, you are asked to supply a minimum of 12 stamped, self-addressed envelopes to allow us to reach you with current happenings.

WHO ARE THE DRIFTLESS AREA ARTISTS?

No, we are not artists who wander aimlessly in the name of art! Our group's name originates from the hills and valleys of the unglaciated region of Southern Wisconsin and Northern Illinois in which we live and work.

We are painters and potters, wool workers and woodworkers, photographers, mosaic makers, and jewelry creators. Be it brush, pencil, needle, wheel, chisel, or lens, we love sharing our art with each other and with surrounding communities.

We welcome artists of any level into our organization. As our mission statement says, we are "committed to nurturing the artistic growth and development of artists." Come learn with us. Let us share this artistic journey together.
