

The Driftless Area Artists

OUR MISSION

The Driftless Area Artists (DAA) is an association committed to nurturing the artistic growth and development of artists. We strive to increase awareness of local art in the Driftless region of Wisconsin and northern Illinois. This includes networking, educational, and exhibit opportunities.

The Driftless Area Artists group is sponsored by
The Monroe Arts Center

YOUR MEMBERSHIP IN DAA INCLUDES MEMBERSHIP IN THE MONROE ARTS CENTER!

Through the generosity of Monroe Arts Center, payment of yearly dues entitles our members to all discounts on program tickets and purchases of gallery items. Ten dollars goes directly to MAC, our sponsoring organization. DAA membership runs from January 1st to December 31st of each year.

Your membership entitles you to request exhibit space in any Driftless Area Artists Exhibit at the Monroe Arts Center and inclusion in all other events planned by the members.

The DAA board meets the 2nd Thursday of February, May, August and November. All are welcome to attend. An annual membership meeting is held in September.

People who don't have e-mail are asked to supply 12 stamped, self-addressed envelopes to allow us to reach them with current news and events.

WHO ARE THE DRIFTLESS AREA ARTISTS?

No, we are not artists who wander aimlessly in the name of art! Our group's name originates from the hills and valleys of the unglaciated region of Southern Wisconsin and Northern Illinois in which we live and work.

We are painters and potters, wool workers and woodworkers, photographers and fabric manipulators, metalworkers, and mosaic makers. Be it brush, pencil, needle, wheel, chisel, or lens, we love sharing our art with each other and with surrounding communities.

We welcome artists of any level into our organization. As our mission statement says, we are "committed to nurturing the artistic growth and development of artists." Come join us and share this artistic journey together.
