

Social Skills Groups Now Forming!

For Middle Schoolers/High Schoolers with ASD

With An Emphasis on:

- Social Interaction Skills: Body Spacing, Eye Contact, Conversation, Asking Good Questions, Giving Compliments, Friendship Making!
- Emotional Regulation/Perspective Taking: What are emotions and what do they feel like? How do we identify them in ourselves and others?
- Self Knowledge: What pushes my buttons and how can I handle it? What are my strengths? What do I need to work on?
