### SOCIAL MEDIA CIRCA 1874

1874 Post card (UX3)  
Announcing “Young Men’s Woman Suffrage League” meeting in New York City.

Speakers were Julia & Abby Smith. The subject of their address was the confiscation of their property by the voters of Glastonbury, Conn. This was because of unfair taxation of unenfranchised women. They also could not vote in town meetings. Look up their story on the internet.

Also see the note on the bottom, “OPPONENTS of Woman Suffrage PARTICULARLY INVITED”. Free Speech was alive and well.

We can always use members or guests who are knowledgeable about various aspects of philately to give talks at our meetings. By the way, Charlie is also looking for someone to assist him with coordinating the programs.

**Please consider presenting a program.**
