**Waiver**

I know that running/walking and volunteering to work at Club races are potentially hazardous activities. I should not enter and run/walk in Club activities unless I am medically able and properly trained. I agree to abide by the decision of a race official relative to my ability to safely complete the run/walk. I assume all risks associated with participating and volunteering to work in Club races including but not limited to falls, contact with other participants, the effects of weather, including high heat and/or humidity, the conditions of the road and traffic on the course, all such risks being known and appreciated by me. Having read this waiver and knowing these facts, and in consideration of your acceptance of my application for membership, I, for myself and anyone entitled to act on my behalf, waive and release the Road Runners Club of America, the Owensboro Area Runners and Walkers Club, and all sponsors, their representatives and successors from all claims or liabilities of any kind arising out of my participation in Club activities, even though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver.
