## What is TOI

Theater On Ice (TOI) is a form of competitive figure skating that is popular in Europe, where it is known as Ballet On Ice. It combines the grace of figure skating with the excitement of theater and dance. Teams consist of between 8 and 24 skaters. Each year, teams choose a theme and develop a theater/dance routine to their own compilation of music. Teams use scenery, props and costumes in order to tell a story to the audience. Solo skating is discouraged, but is permitted in limited amounts if it enhances the overall telling of the program's story. The programs are judged by qualified U.S. Figure Skating Association judges and are evaluated on technical merit and presentation with emphasis on originality, costuming, artistry, and musicality.

Additionally, and most importantly, Theater On Ice is a competitive team sport that offers fun, friendship, and the camaraderie that is so often lacking for individual figure skaters!

### BRAVO! skaters:
