

The Black Tie Sanitation Advantage

Our features come standard at no additional cost to you!

Shelves

The Aspen model comes with two corner shelves—one equipped with a beverage holder.

Integrated Door System

Our door system is made up of a high density plastic bushings and two stainless steel springs for worry free service.

Utility Hook

Utility hook secures personal items from a heavy-duty utility belt, rain gear, cold weather overalls to purses and coats.

Door Hasp

Lockable exterior door hasp helps control usage of the unit.

Tank & Skid

Slip resistant skid with integrated side draining system allows water to drain to the sides eliminating puddles in the front of the unit. Tank design allows for maximum cabana space and an elongated seat providing a more user friendly experience.

Three-roll Paper Holder

One piece design keeps paper dry and will accept all style rolls. Keyed lock included.

Springs

Heavy-duty stainless steel spring system for years of maintenance free service.

Urinal

Fast draining urinal helps eliminate odors and is designed for speedy cleaning. Oval design reduces splash.

Portable RestroomADA

*The Matterhorn meets
and exceeds strict
American Disabilities Act
(ADA) guidelines.*

Built Rock Solid!

Dual coat hooks and mirrors.
Pneumatic door closer with safety chain
